Block Parties

[Contents](#)

The Permits Section occasionally receives inquiries/requests for block parties or smaller special events. A Special Event (SE) Permit is required for any block party or smaller special event that may generate significant additional traffic, intends to alter or halt normal traffic flow, block streets, block access to parcels, block bicycle or parking lanes, or block sidewalks or walking paths.

Small Gatherings

[Contents](#)

Small gatherings of twenty (20) or less persons using the sidewalk temporarily for a party or potluck may not require a permit. It is recommended that individuals intending to sponsor a small gathering of neighbors apply for a Special Event Permit. VCPWA-RT will make a determination on a case-by-case basis. Sponsors of small gatherings will be liable and responsible for activities in the roadway, including any insurance requirements.

Board of Supervisors (BOS)

[Contents](#)

On March 19, 2019, the Board of Supervisors (BOS) approved an update to the Encroachment Ordinance (EO). A Special Event Section 12220 was added to the updated EO (link below)

Special Events (SE)

[Contents](#)

A Special Event (SE) requires a Special Event Permit as defined in Section 12100(cc). Conducting an SE without a permit is unlawful as defined in Section 12200(a)(10).

12100(cc) Special Event. An organized activity, conducted in the right-of-way, that affects normal traffic flow, for the purpose of recreation, fundraising, or competition, including, but not limited to, running, bicycling, automobile, and motorcycle events; parades; demonstrations; parties; gatherings; and assemblies.

12200(a)(10) Use the right-of-way for an event or activity that impacts normal traffic flow, including, but not limited to, special events;

Ventura County Sheriff (VCS)

[Contents](#)

Special events, large or small, are coordinated through or with the Ventura County Sheriff (VCS). The Lead Agency is the VCS and all requests for SEs require a “license” from the VCS as explained in Municode Sections 2211 and 2212 adopted by the BOS September 28, 1982. VCS will consult with the Ventura County Fire Department (VCFD), CEO Risk Management (RM), Public Works Agency (PWA), and the VCS Area Sargent.

2211 No person as a principal shall carry on, manage or conduct any tent show, carnival, musical or theatrical exhibition or entertainment, traveling show or traveling entertainment, circus, menagerie, animal show, turkey shoot, or temporary gathering of any nature whatsoever which is open to the public, when the same is held, carried on, managed or conducted in the open air, in any tent, or in a temporary place of business, without first obtaining a license therefor.

VCPWA ROADS & TRANSPORTATION PERMITS SECTION SPECIAL EVENTS

2212 Application for a license to conduct or manage any tent show, carnival, musical or theatrical exhibition or entertainment, traveling show or traveling entertainment, circus, menagerie, animal show, turkey shoot, or temporary gathering of any nature whatsoever which is open to the public, shall be made to the Sheriff a minimum of sixty (60) days prior to the event by any of the principals sponsoring the event on an application form approved by the Sheriff. Such application shall contain, but is not limited to, the following information...See Municode for items required.

VCS "License" or Parade Permit

[Contents](#)

The VCS application for the "license" is called a Parade Permit Application because it was/is modeled for larger parade-like events with hundreds of participants and sponsors traveling or using a specific road or route. When the SE Sponsor plans to use a county-maintained roadway, Ventura County Public Works Agency – Roads & Transportation (VCPWA-RT) is consulted in the pre-approval process. The permit to use the roadway comes specifically from RT. The Applicant/Sponsor obtains a Special Event (J1) Permit from the Permits Section. The SE Sponsor is responsible for contacting the VCS. VCS will issue a permit with Conditions or find that the SE does not need a "license" or Parade Permit. The SE Permit may be deemed void without the "license" from the VCS, if needed.

Insurance

[Contents](#)

All permits, including SE Permits, large or small, require the applicant/permittee to have insurance. VCS and/or RM will inform the applicant/permittee regarding insurance, including amounts for Commercial General Liability per Occurrence (CGL-O), CGL Annual Aggregate (CGL-A), Commercial Automobile Liability (CAL), and Workers Compensation (WC). SEs are categorized as low, standard, or high risk. The applicant/permittee can inquire with VCS and/or RM regarding one-day insurance for smaller special events. An inquiry form is provided with the SE package.

Insurance: Special Events

Large	\$1M	\$2M	\$1M	\$1M
Small^^	\$0.5M	\$0.5M	\$0.3M	\$0.5M

^^Applicants can purchase one-day event insurance. Inquire with VCS/RM.

Fees

SE fees are listed in the table here below. Non-profits as defined by the California tax code may be eligible for a Review Fee waiver. The SE Sponsor should provide proof of non-profit status.

Applications

An SE Permit is required to conduct an event in the road right-of-way of a county-maintained road. A complete application must be submitted for the permit to be processed in a timely manner prior to the SE. Event organizers must apply for the permit well ahead of the event-day. VCPWA-RT recommends 45-60 days prior to the event-day. Application examples can be provided upon request.

Small versus Large Events

[Contents](#)

There is no exact definition for small versus large events. Determination of a small versus large special events will be made on a case-by-case basis. Factors include, but are not limited to, number of participants, number of roads, traffic impacts, duration, time of day, number of days, road closures versus non-road closures, and previous permits with VCPWA-RT. VCCO Sections 2211, 2212, and 12100(cc) list various types of events. The size and scope of the event will dictate the amount of insurance required for the event. For event sponsors/organizations that do not have the insurance specified herein, please contact Risk Management for the required insurance and cost of one-day insurance. Events permitted prior to March 2019 were likely treated as large special events.

Permit Types^{^^}: Special Events

Bikeathon (L)	Car Show (L/S)	Circus (L)	Marathon (L)	Tent Show (L/S)
Block Party (S)	Demo (L/S)	Luncheon (S)	Parade (L)	Walkathon (L)

^{^^} General guidelines. Type determined on case-by-case basis. L = Large. S = Small.
L/S = Large or small.

Traffic Control Plans

[Contents](#)

Parades and larger gatherings will need a TCP and/or Detour Plan, especially if the Special Event requires/needs a Road Closure. Block parties and small gatherings may not need to prepare a formal traffic plan, however sponsors should indicate on the plan/map the arrangement of the event (tables, chairs, parking, vehicles, location of sidewalks, driveways, other roadway features). An informal sketch is an acceptable submittal for block parties and small gatherings. A formal traffic control plan is required for any impact to the flow of traffic or bicycle and pedestrian access. Applicant should submit all documentation that they have and RT Staff will inform Applicant of additional requirements such as a formal TCP.

Special Event Approvals or Denials

[Contents](#)

Applicants should be aware that some Special Events are Denied. Applicants can submit a Pre-Submittal or Inquiry (Question) and RT Staff will advise the Inquirer of the likelihood of approval or process to apply; however, a Formal Application is required for a formal Approval and/or Denial of a Special Event. Please note that the VCS Permit does not guarantee a Permit from VCPWA-RT.
